JUDGING CRITERION	MAXIMUM POINTS	JUDGE'S SCORE
<b>1 Overall Cleanliness and Presentation</b> Vehicle is presented clean and tidy with all bodywork, trim and glass washed and polished. Consider the "two metre test" – does the vehicle look good from a viewing distance of two metres? Interior is free of unnecessary clutter (seat covers, if fitted, do not need to be removed). Judge may use discretion if vehicle has travelled a long distance to the event or weather conditions <i>en route</i> have been detrimental.	<b>30</b>	<input type="text"/>
<b>2 Bodywork (including wheels)</b> All panels are straight and undamaged (e.g. no dents, visible repairs, etc.). Paint is in good condition, un-faded with no scratches or marks (allowing for patina). Doors operate smoothly. Rubber seals around doors and windows are complete and in good conditions, with no cracks or deterioration. Convertible tops, where fitted, are clean and operate. All brightwork is in place and undamaged with no corrosion or pitting evident. Wheels and tyres are clean and dressed. Wheels are free of kerb rash.	<b>30</b>	<input type="text"/>
<b>3 Interior</b> Seat upholstery is free of cracks, tears, broken stitching or blemishes. Door cards are in good condition and have all trim in place. Headliner is in good condition. Dash is straight, uncracked, unwarped and complete. Floor coverings are free of cracks, perishing, scuffs, wear marks or tears and are fitted neatly. Pedal rubbers are complete and not worn, cracked or perished.	<b>30</b>	<input type="text"/>
<b>4 Age Bonus Points</b> To recognise that it is often difficult for an older, unrestored vehicle to compete with a brand-new vehicle not long off the showroom floor, additional points are awarded for the age of the vehicle (not the age of the owner, sorry). 0-5 years = 0 points   6-10 years = 3 points   11-20 years = 6 points   21+ years = 10 points	<b>10</b>	<input type="text"/>
